

HANDS ON NEWS

from San Diego Reiki Corps

Welcome New Members!

Growing in 2017! New members include **Terry Wolfe, Nicole Lyke, Veronica Ellis, Toni Uribe, Rose Marie Bent and Patricia Scully.**

Annual membership is due on the anniversary date of joining.

Renewed members are: **Susie Gomez.** Thank you for continuing to be a part of the Reiki family.

Communication Assistants

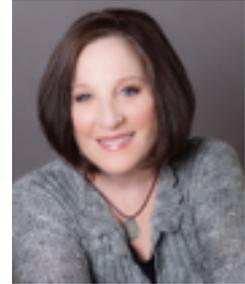

You will be noticing that some of your communications will be coming from our new Communication Assistants! Kat Papike and Maria Huston have offered to help with keeping our members up to date. Kat will be sending monthly membership renewal reminders and Marie will notify you of upcoming events. We are so appreciative of their support.

Donations

It is with much appreciation that we thank the **Helix Water Employee Contribution Club** for their recent donation to the San Diego Reiki Corps. It has become an annual event for this organization!

Go to the **SDRC website** for more information and calendar of events.

Introduction to Medical Intuition with Wendie Colter was another successful event packed with interesting information!

Wendie is an excellent speaker. She gave us a tremendous amount of information about Meta-Sensory Skills - those skills behind the five senses of sight, hearing touch, smell and taste. It was truly a treat when Wendie guided the group through an experiential meditation to learn the skill of talking to a personal body part to gather information for healing. Wendie is very passionate about her mission to support the allopathic field of medicine with intuitive insights and thinks every hospital should have a Medical Intuitive on staff. We were very blessed to have her at our SDRC Gathering. Her next training program begins in September.

San Diego Level 1 - four month Program: Sat/Sun10am-5pm

Community Outreach Opportunities

September offers two community projects for members to provide Reiki. Both events very worthwhile; perhaps your family has been touched by one of these diseases and you are drawn to support the participants.

2017 Walk to End Alzheimer's -Sept. 9th - Balboa Park

Alzheimer's & Dementia Tools - There are several vital areas where Reiki aids people with dementia and their caregivers. The first is that there is an indication from published, peer reviewed research that Reiki can help address memory issues in people with mild cognitive impairment and mild Alzheimer's. In that dementia patients can have problems with agitation, Reiki's calming influence can be greatly appreciated. Caregiver stress and burn out is another vital area where Reiki can help.

Heart Walk  September 16th - Balboa Park
