
SDRC OPERATIONS

The San Diego Reiki Corps has come a long way since its inception by a few people sitting around a kitchen table. It has grown not only in numbers but in educational workshops and community outreach projects, and continues to expand. The Board of Directors is all volunteer and does not have paid staff at this time. SDRC holds monthly activities: Reiki Shares, Outreach Projects in the Hospital and Hospice, and Board Meetings. Additional Outreach Projects are held when events are scheduled by the community, and typically, workshops are organized by SDRC four to six times a year. While everything is volunteer, there are standing expenses that are incurred on a regular annual basis. Expenses vary throughout the year and fall into these categories:

What is a Non-profit?

We hear about non-profit organizations, but what determines this status and why does SDRC qualify? SDRC is a 501c (3) non-profit organization. Our platform is to benefit the public and continue to further the education of our members. A non-profit typically makes a profit and uses it to support the operations of the organization itself and ultimately to facilitate helping/educating the community. As a 501c (3), SDRC is exempt from paying taxes and can receive donations and hold fundraising events to further our goals. This classification allows donors to write-off contributions on their taxes.

Phil Possion worked tirelessly to file our 501c status in 2008.

- Event Room Rental
