

2013 Melanoma Walk

Serena Poisson Giving Reiki

On Saturday, October 19, 2013, nine San Diego Reiki Corps volunteers provided Reiki to more than 95 people at the **20th Annual Bruce Gorder UCSD 5K Walk for Melanoma**. The dedicated SDRC volunteers gave short chair Reiki treatments to walkers, exhibitors, organizers, and volunteers during the 3½-hour event.

Many people received Reiki for the first time. Marisol Quesada, SDRC volunteer at the event shared, "It was touching to hear from Serena Poisson how many more people received Reiki this year (95 this year compared to 5 in 2011). We are grateful so many people know how Reiki can help their life."

Thank you to the SDRC members who volunteered at UCSD Walk for Melanoma to make the event a success (listed alphabetically): **Nedra Abramson, Diana Acosta, Cynthia Backer, Marcia Hilger, Janet Klug, Anita Maloney, Marisol Quesada, Michelle Morretti and Serena Poisson.**

For upcoming SDRC volunteer opportunities, please check the SDRC website.
