

## Energy Meets Business Series #3 -

# "Now What? Taxes and Legal Considerations."

with **Bob Bowen**

**Bob Bowen**, SDRC's past Vice Pres/CEO is our go-to guy for all the legal stuff we'll ever need to know to be in business or to just go about doing Reiki on others. He has a great corporate mind and enjoys keeping track of the changes in laws that impact what we do. So of course, the event was VERY informative and interesting!!
