President's Message:

Hello Everyone,

Another summer has passed and although Fall in San Diego is not the spectacular season it is in other places, we do feel the change and welcome a respite from such hot temperatures. Fall is a time of reflection, a time of harvest, a time of taking stock of one's growth throughout this year's Spring and Summer. As the days get shorter it is time to prepare for the introspection of Winter, to cultivate our internal space for a Spring birth and the promise of growth for next year.

What are your plans? Where will you be?

SDRC is planning for next year too!! And we need your help! If you have not returned your survey, please do so. There is a copy here in this Newsletter that you can print and send to us via snail mail or email if possible. It will help us choose the Gathering Events for next year, as we aim to offer events that are meaningful to YOU!!

As part of the season's internal search, to touch a clearer part of ourselves, we are offering 2 exciting events in November and December. Both pertain to those messages from Spirit, from our Higher Selves, from our Guides and Teachers that we sometimes can't hear on our own. Reiki of course will strengthen that deeper bond and open the door of intuition wider and wider. But it is always nice to have confirmation. Nov 9th, Elivia Melodey will be offering "Messages from Spirit". She is a gifted Medium and will have a personal message for each attendee. The Gathering is limited to 30 participants - so if you are interested sign up soon. On Dec 7th at our "Holiday Celebration", Cat Garrett and I will be working a 'Spirit Board' to touch into our collective deeper knowing and answer some of your questions. We will offer an opportunity for those who need personal time and then have a group session to answer questions that pertains to all attendees, our community, and then our greater humanity. Start thinking now and prepare your internal soil for your most desired messages and answers. Both events will be interesting and perhaps enlightening. Watch for more details.

As always it is a pleasure to offer whatever action and wisdom I can.

In loving service,

Namaste

EFT Tapping w/ Michelle Leuschen

This was such a brilliant event!! Michelle was amazing! With her finely tuned intuition, she was able to follow the energy - watching it change as the volunteer tapped. She was then able to assist in fine tuning the accompanying statements to really dig into and shift the issues while we watched! Amazing! Thank you Michelle!!

SDRC September Gathering

September 14th -
Body & Soul Nourishment
with Elaine Bryan

We were all delighted by the food and the presentation!! Elaine is so well informed about nutrition and how the body likes real foods that combine nutrients instead of the effect of single vitamins.

I thought I knew about nutrition, but Elaine took the subject to a whole new level. She even discussed the color of foods and how they enrich the body. I would definitely go to another presentation on the subject - if Elaine is talking about it!!

**Unbelievable - the food was all vegetarian and very yummy!
Elaine also works with Doctors and Cancer patients!!**
