

San Diego Reiki Corps presents

# An Evening With Serena Poisson

Zoom: Thursday July 25th, 2024 6-8pm

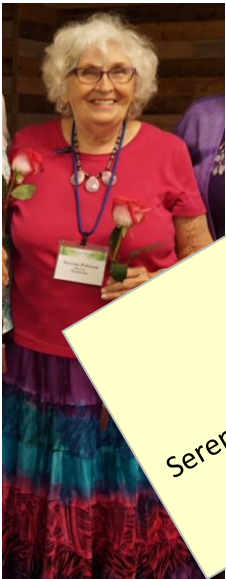

## Reiki - What Do You Need To Know?

If anyone knows about the San Diego Reiki Corps, it's **Serena**! She is one of the original founders and longest-living member. Join us for this interesting Zoom Event. You would love to connect again with experienced members and answer any questions about Reiki. She has white hair tucked up. No chance of being back in AZ before this event.

**Cancelled**

Serena is on the East Coast helping a friend with Cancer. She expected to be back in AZ before this event but is staying to help. Serena is fine but has no Zoom capability. We will re schedule this event for another time. RSVP by July 3rd. [mary-joy@cox.net](mailto:mary-joy@cox.net)
